SCHEDULE TITLE: Multiple Award Schedule

SIN 5418210C - Cloud and Cloud-Related IT Professional Services / PSC D305
SIN 54151S - Information Technology Professional Services / PSC D399

- 1: All non-professional labor categories must be incidental to and used solely to support hardware, software and/or professional services, and cannot be purchased separately.
- 2: Offerors and Agencies are advised that the Group 70 Information Technology Schedule is not to be used as a means to procure services which properly fall under the Brooks Act. These services include, but are not limited to, architectural, engineering, mapping, cartographic production, remote sensing, geographic information systems, and related services. FAR 36.6 distinguishes between mapping services of an A/E nature and mapping services which are not connected nor incidental to the traditionally accepted A/E Services.
- 3: This solicitation is not intended to solicit for the reselling of IT Professional Services, except for the provision of implementation, maintenance, integration, or training services in direct support of, and in conjunction with the purchase of a product. Under such circumstances the services must be performed by the publisher or manufacturer or one of their authorized agents.
